

STABLE SOFTWARE LICENSE AGREEMENT

Robust Analysis, Inc. grants to you a non-transferable license to use the STABLE software on one machine. You may not rent, lease, loan, redistribute or resell the software (stand-alone, embedded in another product, or algorithms derived from STABLE) to others. Exceptions to this, including running the STABLE package on a web-based server, must be negotiated with Robust Analysis, Inc.

If your copy of the software is not executable, Robust Analysis will provide another copy of the program within thirty days. If any bugs are found in the software, we will attempt to fix them in a reasonable amount of time. Significant changes and/or new versions of the software will require a new license after one year.

THE SOFTWARE IS PROVIDED "AS IS." ROBUST ANALYSIS, INC. DISCLAIMS ALL WARRANTIES, EITHER EXPRESS OR IMPLIED. YOU ASSUME RESPONSIBILITY FOR SELECTING THIS SOFTWARE AND ITS USE.

The STABLE software is protected by U.S. Copyright law.
